## **TIBIAL TUBEROSITY ADVANCEMENT (TTA) TRAINING SEMINAR**

The smart, new alternative to TPLO  
procedures

An accredited, interactive, practical lab  
training seminar that prepares the  
veterinary surgeon to select TTA  
candidates, perform TTA surgeries,  
and monitor the recovery process.

Presented by  
**MEDICATECH VET 800-817-5030**

## SEMINAR OBJECTIVE

The objective of Medicatech's educational program is to introduce the new procedure tibial tuberosity advancement (TTA), and to provide an interactive learning environment.

### Seminar features include:

- Evaluation and diagnosis
- TTA implants
- Determination of implant size
- Surgical techniques
- Performance of TTA surgery
- Recovery and rehabilitation

### Practical Lab Training

The Doctors will perform TTA under the guidance and supervision of the presenter. The seminar's goal is for participants to feel confident to perform the procedure in their respective clinics.

800-817-5030 / 949-679-2882 fax
